

The Song of Dzogchen Origin

Samantabhadra spoke in dharmadhatu's space,
Vajrasattva heard it in the spacious vast.

When Vajrasattva spoke in the spacious vast,
Prahevajra heard it on Mount Meru's peak.

When Prahevajra spoke on Mount Meru's peak,
Manjushrimitra heard it on Mount Meru's slope.

Manjushrimitra spoke on Mount Meru's slope,
Shri Singha heard it at Mount Meru's base.

When Shri Singha spoke at Mount Meru's base,
Padmasambhava heard it on the ocean's shore.

Padmasambhava spoke on the ocean's shore,
Yeshe Tsogyal heard it in the Land of Snow.

It can not be known through the spoken word,
By the force of blessings, You are matured and freed.

Samantabhadra is beyond confines of thought.
Every being is suffused with the awakened state.

Buddhafi elds and worlds are realms of greatest ease.
Self-existing knowing fills the wakeful space.
